The Alumni Awards program began in 1979 to recognize alumni whose personal and professional accomplishments bring honor and distinction to Butler University, perpetuating its reputation for excellence, and whose fine example warrants high commendation from the Butler University Alumni Association. In 1995, the Alumni Association Board of Directors established the specific, named awards we have today. Honorees are nominated by fellow alumni, faculty, and staff. [Nominations are accepted year-round](#), and a subcommittee of the Alumni Association Board of Directors reviews and selects the honorees each year. Recipients of the Mortar Award and Foundation Award are chosen by the University, and are also honored at the Alumni Recognition Ceremony. Please join us in congratulating these honorees for their outstanding achievements, and we hope you can join us at the Alumni Recognition Ceremony!

Sincerely,
