ME 424 fulfills the Indianapolis Community requirement. Music education majors are exempt from the Perspectives in the Creative Arts requirement (because they take 9 credit hours in the arts), the Social World requirement (because they take 9 credit hours of education (ED) courses), and from the Butler Cultural Requirement. Music students must attend 16 performances/events per year; for students who are student teaching, studying abroad, or in full time internships during the academic year, only 8 performances are required for that year. See the School of Music website for distribution requirements.

Courses in italics are not offered every year; check the School of Music Course Rotation in the online Undergraduate Handbook.
