

Start-up funding.

Business plans.

\$5,000 business loans.

*Students keep the profits.*

**BUTLER  
UNIVERSITY**

COLLEGE OF BUSINESS

# REAL life. REAL business.™

---

Last year, we distributed profit checks to the 22 sophomore teams who ran their own businesses. All student loans were paid back.

*If only banks could do so well.*

During the required sophomore Real Business Experience course, student teams start and run a viable business and keep the profits. Professionals with extensive business experience mentor the students.
