The Dellinger Education Collection: American Textbooks and Other Educational Materials Printed in the United States before 1945

This collection was brought together mostly by George Dellinger. A few books came from older library collections, while others came from several private donors including Howard Caldwell, George W. Geib, V. B. Ging, Christopher Hanlin, G. William Hepler, Joan and David Lewis, Mrs. George Nester, and others. A descriptive access list with an index of names and titles is available in the Special Collections and Rare Books room. The collection includes the following categories:

- ◆ Readers, primers, grammars, rhetoric
- ◆ History, geography, social sciences
- ◆ Mathematics & applied mathematics
- ◆ Sciences and natural sciences
- ◆ School history, administration
- ◆ Etiquette, domestic morals, home economics
- ◆ Music & applied music
- ◆ Foreign language instruction
- ◆ Miscellanies

Note: other similar holdings can be found in the Eliza Blaker Collection
