Question: I would like to travel outside of the United States over Winter Break. Is there anything special I have to do so that I can re-enter the United States?

The Answer: In order to re-enter the United States you must have your I-20/DS-2019 signed by Melissa Trahyn. Also, you must have a current Passport (more than six months before its expiration date) and a current Visa. Last, we recommend that you bring your class schedule for next semester to prove that you are enrolled in classes. Please see Melissa with any questions.
