Thank you for your interest in the MBA Board Fellows Program. The information you provide in this questionnaire is critical to our appropriately matching the students selected for the program with the needs of the Indianapolis community institutions that are partnering with Butler on this innovative program. Your participation will allow Butler to emphasize the importance of community service while demonstrating the ability to develop leadership skills through community involvement. It is a logical extension to Butler's *real life, real business* strategy that is differentiating Butler from other business schools. Please return your completed questionnaire to Bill O'Donnell, MBA Program Director, by **November 15, 2009**.
