Building Committee Report
By Mickey Rogers

There will be two more additional inspections by the fire marshall to be in compliance with local fire code regulations. The Undergraduate chapter will be responsible for making the necessary house alterations cited in previous fire code violations.

It was decided that the UG house manager should been in possession of a master key in addition to the house mom and house corporation president.

Technology Committee Report
By Mickey Rogers

There is the potential for another round of computer grants from the national fraternity. More information will be presented when available

Scholarship Committee Report
By Mickey Rogers

The UG chapter will be responsible for developing a system of guidelines for annual recommendations of RCSF scholarship applicants. One requirement must be that the applicant lives in the UG house. The UG scholarship chair will work with Greg Lineweaver, alumni scholarship advisor, to develop the guidelines.
