

## Beacon Health System

Busy cardiothoracic practice in Elkhart, IN looking for an additional Physician Assistant to join our team. This practice is close to the University of Notre Dame and Lake Michigan and is 2 hours from Chicago and 3 hours from Indianapolis. The current staff includes 4 surgeons and 5 PAs. Duties include morning rounds, H & P's, consults, discharge summaries, caring for patients in the ICU, step-down unit, and office patients. Removal of chest tubes, pacing wires, and IABP is also the PA's responsibility. Surgical responsibilities include EVH, radial artery harvesting, and first assisting in all cases to include CABG, valves, aortic cases, TAVR, EVAR, TEVAR, all lung surgeries, esophageal surgery, and carotid surgery. Out-of-hospital call and surgical call are shared amongst all PAs. 2 years of experience in a surgical setting is strongly preferred, but willing to train the right candidate based on a 2 year commitment.
