Questions for Students and Panelists

Student Icebreaker Questions
● Where did you study abroad?
● What college are you in?
● Did study abroad change your career goals?
● If you had to describe your study abroad experience in just one word, which one best fits?
● What skills would you like to improve upon to better market your study abroad experience?

Panel Questions
● This question is vague, and that’s because I want you to do with it whatever you’d like:
● How has your personal experience studying or living abroad abroad influenced your career path?
● What is the most important skill for students to show they have in the job interview process?
● What was our student’s guest takeaway from studying abroad?
● What are some things that stand out to you about students who have studied abroad?
