ME 325 and ME 326 fulfill the Speaking Across the Curriculum and the Indianapolis Community requirements respectively. Music education majors are exempt from the Perspectives in the Creative Arts requirement (because they take 9 credit hours in the arts), the Social World requirement (because they take 9 credit hours of education (ED) courses), and from the Butler Cultural Requirement.

Music students must attend 16 performances/events per year; for students who are student teaching, studying abroad, or in fulltime internships during the academic year, only 8 performances are required for that year. See the School of Music website for distribution requirements.

Courses in italics are not offered every year; check the School of Music Course Rotation in the online Undergraduate Handbook.
