Verification is a process required by the U.S. Department of Education to ensure accuracy of financial aid applications. Our office must collect documentation to verify the information submitted on the Free Application for Federal Student Aid (FAFSA).

**Please follow the steps to complete the Verification Worksheet:**

- Students must complete the online Verification Worksheet located at my.butler.edu (Student Center → Finances → Financial Aid → Verification Worksheet 2017-2018).
  - Every field must have a value. Enter “0” when applicable. Review the untaxed income questions carefully.

- The verification worksheet needs to be signed by the student and if married, the student’s spouse. The electronic submission satisfies the student signature requirement. If applicable upon submission, a pop-up window will appear with instructions to print the worksheet so that your spouse can sign and return the worksheet to our office.

**For tax filers, please complete the steps to provide your 2015 federal income tax information:**

- Complete the IRS Data Retrieval tool (preferred method) using the “Make FAFSA Corrections” link at fafsa.gov.
  - If you are unable to utilize the IRS Data Retrieval tool, request a 2015 IRS Tax Return Transcript using one of the following options:
    - Online Request – Go to IRS.gov, under the Tools heading on the IRS homepage and click "Get a tax transcript." Click “Get Transcript ONLINE” or “Get Transcript by MAIL.” Make sure to request the “IRS Tax Return Transcript” and NOT the “IRS Tax Account Transcript.” The IRS Declaration of Electronic Filing (e-file) is not a tax return and is not acceptable documentation to complete verification.
    - IRS2Go App – Available at the Apple App or at Google Play store
    - Telephone Request – 1-800-908-9946
    - Paper Request Form – Form 4506T-EZ or Form 4506-T

  - If you (or your spouse, if married) filed an amended federal tax return (1040X) with the IRS, then you must submit the following:
    - Signed copy of your original 2015 1040 tax return
    - Signed copy of your 1040X
    - IRS tax transcript (see instructions above)

  **We encourage you to complete the IRS Data Retrieval Tool or submit an IRS Tax Transcript when you have filed your tax return.**

  - If you (or your spouse, if married) have a rollover on your 1040, you must submit the following:
    - IRS tax transcript
    - 1099R documentation or other proof of a rollover

**For non-tax filers - please complete the steps below to provide your 2015 untaxed income information:**

- Please visit irs.gov. Search and print the Form 4506T. Complete (lines 1-5, 7 and 9). Check Signatory attest box, sign, date, and fax or mail to IRS. When received, submit the Verification of Non Filing Letter to our office.

- Submit copies of all W-2 forms for 2015 for each source of income received (or an equivalent document such as the Wage and Income Transcript).
