**MEMBERSHIP**

Membership in the Butler University Basketball Band (BUBB) is open to college degree-seeking students who are enrolled in courses at Butler University. All members must register for ES 171/371/571 in the Fall & ES 121/321/521 in the Spring. Registration for both semesters is Required. Please note that members are not allowed to take pep band as one’s only class in any given semester. Students who are not registered for both semesters will be ineligible for NCAA and Big-East Travel.

**FIRST REHEARSALS & ONLINE REGISTRATION**

Any student who wishes to participate in BUBB must complete the [Online Registration Form](#) by **September 4, 2019** (this applies to new members and current BUMB members). Instruments and/or music will not be issued to a student who has not completed the registration process. Students who are in need of an instrument for Basketball Band must fill out the [Instrument Rental Agreement](#) Form.

All members of BUBB are required to attend our pre-season rehearsals. The First Rehearsal is on **September 21st from 11am - 3pm** in LH 112. Our Second Rehearsal is **September 28th from 11am - 2pm** in Lilly Hall 112.

Rehearsals will then default to every Friday from 4:40 - 6:30pm in LH 112 and continue throughout the Fall Semester.

Spring Semester Rehearsals will also be on Fridays from 4:40pm - 6:30pm. Rehearsals may be cancelled if there is a game on the same night as a rehearsal date - Note: pay attention to communications from the staff.

**CORE**

For NCAA or BIG EAST post-season games, the 29- member travel band is comprised two separate bands - the Blue Core and the White Core Bands; any remaining spots will be filled from the At Large Membership (see next section).

Those students who have fulfilled their core responsibilities have the “right of first refusal” to decline post-season games. If you are unable to travel, let the staff know and your spot will be given to “At Large” members based on needed instrumentation, attendance and seniority (in that order).

Core members must attend their assigned Core Games - however ANY BUBB member may attend ANY game they wish. If you are not assigned to the Blue or White band, you are an “At Large” member.

Core members are allowed to get a sub for any game they cannot attend. The sub must play the same instrument/part as the student who is missing and must be on the official class roster. Your sub must sign up as a Sub on the Game Sign Up Form (Mentioned Below)

Core members may also go to any game to which they are not assigned to. **If a sub is used, the member will not receive trip points for that game and it will not count towards your game requirements.** However, you will not be penalized for missing the game. Students who do not show up and/or do not have a sub will receive an absence for that game. Arriving after the first downbeat or leaving before the end of the game will count as an absence.
end of the game will result in the student not getting full credit for the game unless the Director was notified ahead of time

**At Large Membership**
At Large members are not restricted in any way as to which games they may play and are encouraged to attend every game that their schedule will permit. Your chance for post-season travel increases with your attendance. Ex. A member with 20 games is far more likely to travel than a member with 13.

**Game Sign-up**
For the 2019-20 Season we will be introducing a Game Sign-Up Form for ALL Members. This will provide the Directors with the size and instrumentation of the ensemble prior to Report Time. Links to a game will be provided (via Canvas) 7 Days in advance of the game and will close 48 hours prior to Tip-Off. Rosters will be submitted to Athletics - if you are not on that roster you will not be allowed to perform with the band.

**Grading**
There are approximately 34 home events each season and grades are based upon the number of games that a student attends. Members are required to attend approximately 1/3 of these games, and a full assignment schedule will be posted on Facebook and Canvas by the Director.

**Fall Semester: ES 171/371/571**
- Attend 7 Games
- 6.5 Games or Lower is a Fail
Students must attend their 12 Game Travel Minimum by the end of the Spring Semester.

**Spring Semester - ES 121/321/521**

**All Sections**

2. 2 Absences = **1 Game Penalty**
3. 3 Absences = **2 Game Penalty** (discussion with Melissa and Dr. Smith)
4. 4 Absences = **4 Game Penalty** (written letter of warning and discussion with Melissa and Dr. Smith)
5. 5+ Absences = **Automatic F** Student will be permanently removed from the band and prohibited from attending any further rehearsals or performances. A course grade of an F will be assigned and will be reflected on the student’s transcript.
If a member cannot make a rehearsal, for any reason, they must e-mail the band office (bubands@butler.edu) more than 24 hours prior to the rehearsal. If an emergency occurs, call (317-940-9876) or e-mail the band office (bubands@butler.edu).
**Attendance**

Members are required to report for games at Hinkle Fieldhouse (to the side of Gate 4, next to the Bowl) in the band section at the call time indicated for the games. Students should arrive early enough to warm-up and check-in BEFORE the call time (75 minutes before tip is highly recommended for Men's Games).

**Rehearsals**: Section Leaders will take attendance via attendance sheet at the beginning of rehearsals. These sheets will then be collected by Melissa after the first 5 minutes of rehearsal. Tardies will be dealt with on an individual basis.

**Games**: Students must be signed up for the game, dressed in full uniform and report to the Attendance Secretaries to check in at Gate 5 (Mens)/Gate 4 (Women's). If a student forgets to check-in at an event, they will not receive credit for being present - no exceptions!

**Substitutes**

Members who know that they cannot be present at a game to which they are assigned are required to obtain a substitute to cover their spot. Exceptions to this policy include emergency situations or sudden illness, however, in either event of an emergency - e-mail the band office. Any student who agrees to sub and does not show up will be assigned an unexcused absence.

**Performance Etiquette and Conduct**

BUBB is frequently shown on television broadcasts as well as the video boards inside Hinkle Fieldhouse. Therefore, the band must be an upstanding representation of the University at all times. Members are permitted to use their cell phones and other electronic devices during breaks only. Do not make the directors play phone police!!

As the primary purpose of the Basketball Band is Spirit, all members are expected to be observant to the game, cheer for the team, and join in with the Cheerleaders when they cheer. Members are required to remain standing throughout the game until instructed to sit by the Director and/or Graduate Conductor.

Smoking, illegal substances, alcohol usage, and offensive language of any kind to any person (including the heckling of opposing team players, coaches, referees, and/or fans) will not be tolerated and may result in the removal of a member from the ensemble. Friends, family, and other non-band members are not allowed in the band’s seating area of the stands.

**Music**

Student Workers and Librarians will distribute music during our pre-season rehearsals to students who have completed their online registration form.

For the 2019-20 Season - Members will be required to supply and bring an individual music binder to rehearsals and games. It is required that all members store their music in sheet protectors.
TRAVEL

In order to travel with BUBB, you must fill out the travel form that will be e-mailed to you the first week of the Spring Semester!

Travel Rosters are finalized near the start of the Spring Semester when the Director receives specific instructions from Athletics. BUBB members who are eligible for travel will be contacted individually by the Director. If selected for travel, expenses including airfare, transportation, hotel, and daily per-diem are covered by the bands. All trips are “open-ended” depending upon the progression of the basketball team(s). Trip eligibility is based upon several factors: Core, Instrumentation Needs of the Ensemble, and Attendance - these priorities are of equal weight and realize that not everyone can travel - but we will attempt to be as FAIR as possible to all members who want to travel but it is based upon a member status as a core member, attendance, and grade.

BUBB members selected for travel are required to attend the official trip meeting, a mandatory meeting, (typically the last rehearsal prior to travel - approx. the week before the Women’s Big East). The use of alcohol or any illegal substances throughout the bands travel will not be tolerated. Violators will be dismissed from BUBB and/or reported to BU for additional consequences.

YOU MUST ATTEND A MINIMUM OF 11 GAMES TO GO ON POST-SEASON TRAVEL

If you are not enrolled in the course YOU WILL NOT TRAVEL!

The Director reserves the right to adjust instrumentation and membership as necessary to ensure that we are always able to put the strongest band possible together to represent our university.

HOLIDAY GAMES

For the 2019 - 20 Season, Core Members are assigned Some Games over the Holiday Breaks (The Teams are here, the Cheerleaders are here, the Dancers are here.. WE NEED TO BE HERE). If the game is scheduled within 4 days of the Start or End of a Break Core Bands will be assigned to the game. If you’re unable to make it we request you fill with a sub. We will engage with Alumni Help - but you need to plan your subs and travel according to the Holiday Schedule (announced around Labor Day weekend)

UNIVERSITY POLICY - HAZING

• Hazing is any action taken or situation created intentionally that places an expectation on a person joining or maintaining full status in a group that is not consistent with requirements for membership, team rules, university regulations and policies, and/or fraternal law or ritual, as applicable. Conduct that may be considered hazing is as follows:
  A. Has the potential to produce emotional, psychological or physical discomfort, embarrassment, harassment or ridicule
  B. Can occur on or off campus
  C. Can occur regardless of the person’s willingness to participate
  D. Is prohibited by the criminal code of the State of Indiana

• Butler University believes that hazing is non-productive, violates students’ rights, and has no place in the campus community. Hazing activity may lead to a conduct review for individuals as well as a student group, organization, or team.
• It is impossible to list all possible hazing behaviors because many are context-specific. The following list provides categorical examples of hazing traditions:

  Subtle hazing—behaviors that emphasize a power imbalance between members of the group and those who desire to be accepted. Subtle hazing typically involves activities or attitudes that breach reasonable standards for mutual respect. Some examples:
  A. Deception
  B. Requiring new members to perform duties not assigned to other members
  C. Deprivation of privileges granted to other members
  D. Expecting certain items to always be in one’s possession
  E. Requiring new members to refer to members with titles (e.g., Mr., Miss) while new members are identified by a term instead of by name
  F. Name calling
  G. Use/misuse of ritual symbolism outside of organization’s approved ceremonies
  H. Walking/running/sitting/standing in formation

  Harassment hazing—behaviors that cause emotional anguish or physical discomfort required of those joining the group. Harassment hazing confuses and frustrates, and causes undue stress for those joining the group. Some examples:
  A. Verbal abuse
  B. Intimidation or implied threats
  C. Personal servitude
  D. Sleep deprivation
  E. Degrading or humiliating activities
  F. Interference with personal hygiene
  G. Being expected to harass others

**UNIVERSITY POLICY - HAZING CONTINUED**

*Violent hazing*—behaviors that have the potential to cause physical and/or emotional or psychological harm. Some examples:

- A. Forced/coerced ingestion of alcohol or any other substance
- B. Beating or paddling
- C. Branding or burning
- D. Water intoxication
- E. Abuse or mistreatment of animals
- F. Public nudity
- G. Expecting illegal activity including property theft or damage
- H. Bondage
- I. Abduction or kidnapping
- J. Exposure to weather extremes without appropriate protection

- Students should be aware that Indiana has enacted a state law prohibiting hazing. See the full text at www.in.gov/legislative/ (search Indiana Code IC 35-42-2-2).
- Suspected hazing violations should be reported to the Butler University Police Department and/or the Vice President for Student Affairs.
- When hazing activities are determined to deny, deprive or limit the educational, employment, residential and/or social access, benefits and/or opportunities of any member of the campus community on the basis of their actual or perceived membership in a federally protected class is in violation of the University policy on nondiscrimination. Protected classes include but are not limited to: race, sex, religion, ethnicity, national origin, citizenship status, age, sexual orientation, gender, gender identity and veteran or military status.* All allegations of student misconduct that are perceived to infringe upon the federally protected civil rights of any member of the University community or its visitors will be addressed through the Civil Rights Equitiy Grievance Resolution Process. This will include allegations related to discriminatory or bias-related harassment, sexual harassment, sexual misconduct and hazing among others.*procedures.
**BU Alcohol Policy**

The primary concern of Butler University in all cases, including those incidents of intoxication and/or alcohol poisoning, is the health and safety of the individuals involved. Students who actively seek medical attention on the behalf of another due to a concern for that person’s intoxicated state and well-being will generally not be charged with a violation of University policy.

**Use of Alcoholic Beverages**

All Butler students are responsible for complying with state and local laws. Attention is called to the Indiana alcoholic beverages law (Indiana Code 7.1-5 found here: www.in.gov/legislative/ic/code/title7.1/)

The following are violations of University policy:

A. No person under 21 years of age may consume or be in possession of alcoholic beverages.
B. Persons 21 or over may not make alcoholic beverages available to minors nor may they provide a venue for minors to consume.
C. It is unacceptable to misrepresent one’s age for the purpose of procuring alcoholic beverages.
D. Residence hall and University apartment students 21 years of age and their guests 21 years of age or older may possess and consume alcoholic beverages on an individual basis in the privacy of their own rooms, with their room doors closed. Individuals younger than 21 years of age may not be in the presence of alcohol within the residence halls/apartments.

**Alcohol on University Property and at University-sponsored Events**

1. Alcoholic beverages are prohibited on campus or on the sidewalks adjacent to campus property, except as noted in (d) above or with the expressed approval of the department head responsible for the administration of a designated facility/area. Student organizations wishing to sponsor an event on campus with alcohol must receive authorization from the Vice President for Student Affairs.
2. No University funds or monies from student organization accounts may be used to purchase alcoholic beverages without the authorization of the Vice President for Student Affairs.
3. Student organizations may provide alcoholic beverages at University-sponsored events on and off campus according to the social event procedures.
4. University-recognized Greek chapters may provide alcoholic beverages at events on their premises according to the Greek alcohol and social event procedures.

*(The Student Alcohol Policy is reviewed annually by the Vice President for Student Affairs.)*
Accommodation Statements

Policy on Accommodations for Documented Disabilities: It is the policy and practice of Butler University to provide reasonable accommodations for students with properly documented disabilities. Written notification from Student Disability Services is required. If you are eligible to receive an accommodation and would like to request it for this course, please contact Student Disability Services. Allow one week advance notice to ensure enough time for reasonable accommodations to be made. Otherwise, it is not guaranteed that the accommodation can be provided on a timely basis. Students who have questions about Student Disability Services or who have, or think they may have, a disability (psychiatric, attentional, learning, vision, hearing, physical, medical, etc.) are invited to contact Student Disability Services for a confidential discussion in Jordan Hall, Room 136 or by phone at 317-940-9308.

Policy on Accommodations for Religious Observance: Butler University respects all students’ right to religious observance and will reasonably accommodate students’ religious practice with regard to class attendance, examinations, and assignments when requests are made in a timely manner. Butler University recommends that each class should have a syllabus that provides a schedule of activities for the class. It is the student’s responsibility to inform instructors of course conflicts resulting from religious observations at least two weeks in advance of the observance, so that accommodations can be made. Requests must be made in writing, and the student should include a proposed alternative due date, examination date, or make-up outline. The professor should review the request and if the student’s proposed suggestion is acceptable, should notify the student of the agreement. Any solution that is mutually agreeable to both student and faculty member is acceptable. If accommodations cannot be agreed upon, the instructor and students should seek the advice of the associate dean in the appropriate college. No adverse or prejudicial effects will result to students because they have made use of these provisions.

Reporting discrimination or harassment: Butler University is committed to fostering safe and productive living, learning, and working environments free from discrimination and harassment. Faculty members are required to report any incident of discrimination and/or harassment that students may report to them. Any sex/gender related incident reported to a faculty member will be in turn reported to the Title IX Coordinator; any non-sex/gender related incident reported to a faculty member will in turn be reported to the Associate Vice President for Human Resources. The Title IX Coordinator or Associate Vice President for Human Resources will then reach out to the reporting student for further discussion. If you wish to make a confidential report of discrimination and/or harassment, you may do so to personnel in Counseling and Consultation Services or to Pastoral Counselors.
