Butler University Master of Physician Assistant Studies Class of 2018 Oath

We, as members of the Butler University Physician Assistant Class of 2018, recognize the privilege we have been given to practice medicine, and promise to stay dedicated to providing medical care with competence, respect, and compassion.

We will strive to continually expand our knowledge in order to better ourselves and improve upon the care our patients receive.

We will uphold all standards of professionalism, make ethical decisions, and practice with empathy, integrity, and honesty.

We will provide a service to those in need in order to ease their pain and suffering. We will respect our patient's rights, wishes, and needs, while making informed decisions to ensure they receive the best care possible.

We will recognize that we, too, are human, and will accept and always learn from our mistakes to better our contribution to humanity.

We make this promise freely, and will stay true to the tenets and legacy of the Butler University Physician Assistant Program by remaining collaborative, innovative, and altruistic in our pursuit of medicine.
