All students must successfully pass a minimum of 120 credit hours of coursework to be eligible for graduation.

**Butler Core requirements (required of all Butler students, regardless of major):** (25 – 30 hours, depending on courses selected)

- ___ First Year Seminar 1 (FYS 101; 3 hrs or HN 110; 4 hrs)
- ___ First Year Seminar 2 (FYS 102; 3 hrs or HN 111; 4 hrs)
- ___ Global and Historical Studies (GHS, 3 hrs)
- ___ Global and Historical Studies (GHS, 3 hrs)
- ___ Perspectives in the Creative Arts (PCA, 3 hrs)
- ___ Physical Well-Being (PWB, 1 hr)
- ___ Text and Ideas (TI, 3 hrs)
- ___ Analytical Reasoning: Use MA125 Business calculus or MA 106 Calculus and Analytical Geometry 1

- ___ Social World (SW, 3 hrs) *Any SW course will meet the graduation requirement. However, if you are planning on going into a graduate program, be sure you examine prerequisite admission requirements, as some may have a specific course requirement. Depending on coursework taken, some students may be eligible for a SW exemption by taking 9 hours of courses in the social sciences. Courses included in this exemption can be found in your my.Butler audit area under university core curriculum/areas of inquiry/social world/courses for exemption.*

- ___ Indianapolis Community Requirement (ICR): Students must also have a class that meets the ICR core requirement.

- ___ The Writing Across the Curriculum (WAC) requirement is met by the required Healthcare Ethics course
- ___ The Speaking Across the Curriculum (SAC) requirement is met by the required Healthcare Communications course

**The Butler Cultural Requirement (BCR) - “Eight before you graduate”** - Must attend at least 8 cultural events; please try to get these requirements satisfied early and have no semester with less than 2.

**Required healthcare related courses for all students in the healthcare and business major** (26 hours)

- ___ Introduction to Healthcare (BSHS 110, 3 hrs)
- ___ Medical Terminology (BSHS 215, 2 hrs)
- ___ Interprofessional Health Education (BSHS 225, 2 hrs)
- ___ Healthcare Systems and Policy 1 (BSHS 230, 2 hrs)
- ___ Healthcare Systems and Policy 2 (BSHS 231, 2 hrs)
- ___ Healthcare Communications (BSHS 340, 3 hrs - take junior year or later to meet SAC core requirement, prereq = BSHS 215 )
- ___ Healthcare Ethics (BSHS 360, 3 hrs - must take junior year or later to meet WAC core requirement)
- ___ Exploring Public Health (BSHS 490 – formerly RX 647, 3 hrs) - or similar public health course
- ___ Healthcare Biostatistics (BSHS 450, 3 hrs)

Required Basic Science Requirements for all students in healthcare and business major (20-25 hours, depending on which courses used)

___ General Chemistry 1 (CH 105, 5 hrs, or CH 107, 6 hrs)  ___ General Chemistry 2 (CH 106, 5 hrs- or CH 107)

___ Cell Biology (either BI 105, 3 hrs; or BI 220, 4 hrs)  ___ Microbiology (BI 325, 3 hrs)

___ Anatomy & Physiology 1 (PX 326, 4 hrs)  ___ Anatomy & Physiology 2 (PX 327, 4 hrs)

(Note the laboratory portion of A&P is not required as part of the healthcare and business major, but may be necessary for students planning on attending a clinically focused graduate healthcare program.)

Business Course Requirements (31 hours)

___ MS 100 Excel Skills (1 hr)

___ EI 201 Real Business Experience (3 hrs, prereqs = sophomore standing OR EI 101)

___ EC 231 Microeconomics (3 hrs, prereq= sophomore standing OR 15 hours plus MA125 or MA106)

___ AC 203 Accounting 1 (3 hrs, prereq= sophomore standing OR 15 hours plus MA125 or MA106)

___ AC 204 Accounting 2 (3 hrs, prereq = AC203)

___ MS 264 Statistics (3 hrs, prereqs= MS 100 and MA125 or MA106 or AR course )

___ MS 265 Information Technology (3 hrs, prereqs= MS 100 and MA125 or MA106 or AR course )

___ MK 380 Intro to Marketing (3 hrs, prereqs= AC204, EC231, MS264)

___ MK 386 Healthcare Marketing (3 hrs, prereq= MK280 or MK380)

___ MS 377 Healthcare Information & Technology management (3 hrs, prereq MS265)

___ EC 346 Healthcare Economics (3 hrs, prereq = EC231)
**Electives:** No less than 12 hours of elective courses, must have a minimum 120 credit hour to graduate, more than 12 hours may be needed:

This major is purposefully designed to have flexible elective coursework to allow students to customize their undergraduate experience, based on individual career goals. We offer a large number of electives to encourage exploration or specialization in a manner that best prepares students for successful acceptance to the graduate program of their choice or directly into the workforce.

See separate document **Elective Choices for the BSHS Program** for > 60 elective choices and comprehensive information on healthcare related electives.

**Business courses that would be appropriate electives include:**

- AC 310 Advanced Managerial Accounting (prereq AC 204)
- EC 232 Principles of Macroeconomics (prereq EC 231)
- El 202 Real Business Experience 2 (prereq EI 201)
- El 315 Creativity and Innovation (prereq EC 231, EI 201)
- FN 340 Corporate Finance (Prereqs AC 204, EC 231, EC 232, MS 264, MS 265)
- TI 264 Business Ethics
- LE 263 Legal Environment of Business (prereq EI 101 or sophomore standing)
- LE 365 Business Law (LE 262 or LE 263)
- MG 360 Organizational Behavior (prereq junior standing)
- MK 384 Marketing Analytics (Prereqs EC 232, MS 265, MK 380)
- MS 350 Operations Management (prereq junior standing, AC 204, EC 231, MS 100, MS 264)
- MS 372 Database Design (prereq MS 265)
- MS 374 Web Design and E Commerce (prereq MS 265)
- MS 375 Systems Analysis and Design (prereq MS 265 and junior standing)
- RM 350 Introduction to Risk Management (prereqs AC 203, EC231, MS 264)
- RM 360 Insurance Company Operations (prereq RM 350)

- Students may not combine the Healthcare and Business major with business minors.
- No course used to satisfy an elective requirement may also be used to satisfy another aspect of the required curriculum. (For example one course could not be used to meet a core requirement and an elective requirement.)
- No more than 6 credit hours of elective coursework may “double count” with a minor, concentration, honors program, etc. (If there is a discrepancy between this policy and that in the minor/other program, then the policy which allows the fewest number of credit hours to “double count” takes precedence.)
