

Dear new team member,

We are very excited you're here! As part of the onboarding process, Butler University shares a passion to see the success in those we serve both in the classroom and in our communities. Out of this passion, Butler University has partnered with the United Way of Central Indiana as they work to identify and address the gaps found in the services provided to our neighbors in the community. United Way of Central Indiana fights for the Education, Financial Stability, Health and Basic Needs of everyone in our community.

Join us in this fight as we continue reaching out to those in need of assistance. If you're interested in giving, Butler University offers a Payroll Deduction program that easily allows you to specify an amount to be deducted from your paycheck each pay period (see below for more details).

If you elect to give, please fill out the information below and return to Diane Dubord. Thank you so much for your support! (All donations are tax-deductible)
