MPAS 2019 Class Oath

As a member of the Butler University Masters of PA Studies class of 2019, I willingly commit myself to these core values as they relate to my peers, mentors, and patients:

- I dedicate myself to developing the skills needed to provide patient-centered care.
- I will foster collaboration through effective communication.
- I will acknowledge my limitations and mistakes in order to learn from them.
- I will practice self-awareness in preserving my emotional and mental well-being.
- I will empathize with those seeking care and will act to the best of my ability when providing it.
- I will advocate for my profession.
- I will strive to be a life-long learner.
- I will act with integrity and respect.

Together we will foster a supportive cohort of committed professionals. We will hold each other accountable to academic and professional ideals while appreciating the integrity and traditions set by Butler University.

This oath is made with my honor.
