

REQUEST FOR RETROACTIVE APPROVAL OF IB CREDITS

In March 2014, Faculty Senate approved the awarding of IB credits to Area of Inquiry requirements within the Core Curriculum for students entering Fall 2014, subject to departmental review. At this same time, departments updated Butler equivalencies for IB credits within disciplinary courses. **This form should be used by students who matriculated at Butler before Fall 2014 who would like to have IB credits previously earned applied using the new equivalencies.** It may not be used for the purposes of altering course equivalencies on a student audit which were already assigned prior to August 2014. See [http://www.butler.edu/registrar/transfer-and-test-credit/test-credits-\(ap,-ib-and-clep\)/](http://www.butler.edu/registrar/transfer-and-test-credit/test-credits-(ap,-ib-and-clep)/). IB scores must be sent directly to Registration and Records; approval requires a score of 5 – 7 on the IB test.
