**Q10 What were the weaknesses of the Butler preservice teachers you interviewed?**

Answered: 18 Skipped: 6

#	Responses	Date
1	Your students could benefit from some pre-interviews. they can stumble through questions and look immature when they realize they dont know how to answer the question.	6/11/2015 9:10 AM
2	I would like to have seen the candidates add a little more of their own personalities during discussions. The majority of the candidates seemed uptight and stiff (due to tentativeness and nervousness I expect).	6/10/2015 10:50 AM
3	None really. I question the digital presentation that they were asked to do. I do not see it as relevant.	6/7/2015 10:25 PM
4	Not enough openings. :)	6/6/2015 4:22 PM
5	International Baccalaureate experience/knowledge	6/4/2015 11:31 AM
6	A tiny bit too enamored (sp?) with PBL. That's really not how things operate outside of your relationship schools.	6/4/2015 8:32 AM

8	None	6/3/2015 9:02 PM
9	N/A	6/3/2015 4:08 PM
10	No real weaknesses that I recall....it has been 5 weeks.....	6/3/2015 3:57 PM
11	Some may not be as prepared as others to deal with significant behavior issues.	6/3/2015 3:35 PM
12	Ability to speak to "data" when referencing curriculum and instruction (common issue)	6/3/2015 3:19 PM
13	None that were consistent across the board	6/3/2015 3:14 PM
14	general answers, not specific to student teaching experience	6/3/2015 3:01 PM
15	Work with students who are more than just inclusion support.	6/3/2015 2:52 PM
16	no significant concerns about them	6/3/2015 2:51 PM

19	Overall, BU continues to set the bar for preparing teachers. I always feel encouraged that BU kids will find a way to make it special in the classroom.	6/3/2015 2:52 PM
20	Overall, the students I interviewed would have been good candidates for the positions available. Their only liability would have been their newness to the profession given the typical hiring patterns for our school.	6/3/2015 2:51 PM
21	This was one of the best groups I interviewed during a college interview day!	6/3/2015 2:48 PM
22	They were prepared with more of a variety this time.	6/3/2015 2:47 PM
