MPAS 2020 Class Oath

As members of the Butler University Masters of PA Studies class of 2020, we are proud to fulfill the following promises:

- We pledge to promote a positive atmosphere within our class and our community throughout all interactions.
- We pledge to uphold honest and open relationships with faculty, staff, and colleagues, while maintaining professionalism and empathy in both the classroom and healthcare setting.
- We pledge to commit ourselves to providing the highest quality care through the highest quality education and to invest in our peers, the Butler PA Program and ourselves.
- We pledge to use thorough, collaborative and inclusive decision-making strategies throughout our time in the Butler PA program. In the face of adversity, we pledge to conduct ourselves with humility and accept constructive criticism.
- We pledge to help foster a respectful and supportive environment, without bias or discrimination, and empower our peers to reach their full potential.
- We pledge to be ambassadors of the profession and advocates for patients through collaborative interprofessional learning.
- We pledge to care for ourselves holistically in order to most effectively provide for those around us.

We willingly avow ourselves to these ideals and promise to uphold them with diligence and honor.
