Norton Healthcare, Louisville, KY has several positions available at this time:

https://jobsearch.nortonhealthcare.org/Ltmprod/CandidateSelfService/controller.servlet?context.dataarea=Ltmprod&context.session.key.JobBoard=EXTERNAL&context.session.key.HROrganization=80#

Search category with “Norton Cancer Institute”. You will see that when reviewing the position requirements, it specifies NP licensure and nursing experience. NOTE: The positions are not exclusive to this type of APP and can, in fact, be filled by PAs. Both may apply for these positions.

There are also openings in Colorectal Surgery, CT Surgery, and Neurosurgery that can be found using keyword search “Physician Assistant”.
