Request for Permission to Walk at Commencement
Please submit this form to your College Dean’s Office (locations listed below)

This form is used to request permission to participate in the Commencement ceremony even though you will not have met graduation requirements by the time of Commencement. **You must have already completed the Butler Cultural Requirement (BCR) before the request is reviewed (excludes JCA candidates).** You must also have a plan to meet graduation requirements by the end of the summer session following the ceremony with no more than 9 hours needed to complete your degree. If you are a COE candidate, you must have no more than 12 hours remaining for completion of the degree (exceptions for COE candidates include those pursuing an additional licensure area that requires further course work).

***Deadline to submit this form for May Commencement: the 3rd Friday of March***

Note: You will not receive a diploma at Commencement; a diploma will be granted after all graduation requirements have been met. You must still apply for graduation for the semester in which your graduation requirements will be completed.
