

GRADUATE ENSEMBLE PARTICIPATION AGREEMENT

In some circumstances, graduate students are required to participate in an approved School of Music ensemble, but are unable to enroll for credit. This situation may arise due to curricular requirements and/or duties as a graduate assistant. In such situations, the student may complete this form—as well as the accompanying waiver agreement—and use this as evidence of full ensemble membership and participation without enrolling for credit. Students are required to meet the same expectations and fulfill all ensemble commitments and requirements as if they were fully enrolled in the course. A separate form must be completed for each ensemble; no more than two forms may be submitted per term.

Term	School of Music Ensemble	Course Number
Student Name	Student Signature	Date
