POSITION: Physician Assistant

Shalom Health Care Center is a Federally-Qualified Health Center (FQHC) on Indianapolis’s west side. Operating two primary care centers, twenty-five school-based clinics, and, soon, a mobile clinic, Shalom staff work together as a team to provide personalized, affordable, quality health care to all in our community.

HIGHLIGHTS OF THE POSITION:

- Rewarding and challenging experience caring for a diverse, under-served population
- Full-time, 40 hours per week
- No holidays
- National Health Service Corps Loan Repayment Program site
- Vacation and Paid Time Off
- Continuing Medical Education (CME) time and reimbursement

ESSENTIAL DUTIES:

- Develop, monitor, and alter a comprehensive health care plan for:
  - People across the lifespan
  - Acute and chronic conditions
- Perform wellness examinations
- Work among a multidisciplinary team

EDUCATION & QUALIFICATION REQUIREMENTS:

- Master of Science Physician Assistant (MSPA) or Master of Physician Assistant Studies (MPAS) from an ACR-PA accredited school.
- Minimum 1-3 years’ experience in ambulatory care.
- Strong community health/public health orientation.
- Experience working with interdisciplinary teams.
- Knowledge of health systems, preventive medicine concepts, practices, methods, and techniques of family medicine.
- Knowledge of state and federal laws regulating medical profession.
- Effective written and verbal communication skills.

CERTIFICATIONS/LICENSURES:

- Valid Indiana PA license.
- Current National Certification as a Physician Assistant-Certified or PA-C.
- Current BLS certification.
- Valid or ability to obtain DEA certification
