Spending within your means

Inside Money: Managing income and debt
Discover how to help make your money work harder by using your cash flow more effectively, developing good saving habits and better managing debt.

Gaining Insight: Navigating debt consolidation and understanding the mortgage process
You can understand how to manage and consolidate debt, and get a primer that can help make the mortgage process easier to navigate.

Start to Finish: The early career woman’s guide to financial wisdom
When women are starting their careers, there’s a lot to consider—career goals, job satisfaction, achieving a work/life balance. But it’s important to also consider retirement. Discover how establishing a plan now can help establish your financial future.

Saving for life’s milestones

The Starting Line: Beginning to save for retirement
You can learn how to evaluate and manage debt, find additional ways to save, create a budget and begin to plan for retirement.

The 411 on 529 college savings plans
You can learn how 529 college savings plans work and how to invest in one for a child, grandchild, yourself or other loved one.

Charting Your Course: A financial guide for women
Women can face unique financial challenges. You can discover tailored approaches to saving for retirement and tips to make your money work hard.

Understanding Health Savings Accounts (HSAs)
You may know about the tax advantages of contributing to a Health Savings Account (HSA), but did you know that HSAs are also a way to save for health care in retirement? This webinar will help you understand unique aspects of HSAs including how they help account owners to pay for current health care expenses and save for those in the future.

Planning for today and tomorrow

Tomorrow in Focus: Saving for your ideal retirement
Find out how retirement savings, planning and the real benefit of time are essential features of retirement investments.

She’s Got It: A woman’s guide to saving and investing
You can discover saving and investing strategies developed especially for women and how you can put them into action.

Halfway There: A retirement checkpoint
You can give yourself a mid-career financial checkup to evaluate your current savings, formulate a plan to help pursue your savings goals and manage competing financial priorities.

Tax planning
After filing annual income tax returns, many of us want to think about income tax planning strategies for the future. We also want to know if estate, gift or generation skipping transfer (GST) taxes will impact our planning. Learn some common strategies to help leave more for you and for your heirs.

Postcards from the Future: A woman’s guide to saving and investing
Fewer years in the workforce. Longer life spans. Women saving for retirement face unique challenges. You can learn what it takes to overcome these challenges and help make your retirement dreams come true on schedule.

Demystifying life insurance
Life insurance can play a critical role in your financial plan. You can learn how much you may need, what types exist, how much you can afford and much more.

Attention to Detail: Financial finishing touches for women
Am I ready to retire? How do I know if I have enough? How do I plan my income? What should I look out for as I plan and even after I am retired? Financial success can often complicate your life and we are going to try to help you answer those questions and more.
Now you can get real world financial education...in real time

**Investing in your future**

**All about IRAs**
You can learn the facts on IRAs, how an IRA may help you meet your retirement savings goals and which one may be right for you.

**Money at Work 1: Foundations of investing**
Discover how you can manage risk versus reward as well as understand the role of investing and managing risks, ways to help accelerate savings and tools that can help sustain a portfolio.

**Money at Work 2: Sharpening investment skills**
Feel more secure in your savings strategy by verifying you’re on the right track. And if you’re off track, know what adjustments you need to make. Learn how to plan your investments and hold on to as much of your nest egg as possible.

**Planning with retirement assets**
Your retirement assets will play a significant role in creating your retirement income, however, there are many rules surrounding your use of these assets. When can I start taking distributions? When must I start taking distributions? What happens when I leave them to my loved ones? Join us to get the answers to all of these questions and more.

**Lifetime Income: Learn key planning strategies to secure your retirement**
You’ve worked hard to save for retirement. TIAA can help you understand how to create a plan that protects you against key retirement risks as well as helps build a diversified retirement income plan.

**Asset Location: A practical guide for income and estate planning**
We often think about our investments in terms of how much we should invest in stocks or bonds or other investments so that we can achieve the greatest return according to our own risk tolerance, goals and time frame. Equally as important is where those assets are located to maximize the benefits of different account types—usually to minimize taxes. Learn about how the location of your assets may impact your retirement income and your beneficiaries.

**How smart investors ride out market volatility**
What’s the best way to handle market ups and downs? TIAA offers best practices and actionable steps to help you pursue financial security.

**Cybersecurity**
Are you concerned about identity theft and your family’s security online? TIAA’s Information Security team will discuss how you can protect yourself and your family from cybercriminal social engineering.

**Investing in real assets**
Interested in alternative investments? This seminar will help investors understand TIAA’s innovative approach to real assets, including agricultural, energy, timber and infrastructure, and how it can help diversify an investment portfolio.

**Responsible Investment (RI)**
Make an impact with a social choice. Did you know that responsible investing enables investors to align their social and environmental principals with their financial goals? Learn the factors that make an investment socially responsible, the history of RI and ways for individuals to incorporate RI into their investment strategy.

**Quarterly economic and market update**
Take a closer look at our views on the financial markets, including key market drivers, U.S. economy, policy and politics, and investing in public markets. This seminar will also cover the challenges that investors face and how to navigate them.

**Strategies for staying on track**
No matter how much or how little money you can save for retirement, it’s important that you start now and stay invested for your future. You can learn how taking smart financial steps today may help lead you to a solid financial future after you’ve stopped working.
Living in retirement
