Butler University Alumni Association Mission

The Butler University Alumni Association (BUAA) in partnership with the Office of Alumni Relations and Engagement serve as champions of alumni engagement by inspiring alumni and friends to share their time, talent, and treasure to advance Butler’s mission and vision.

Purpose of Butler Communities

Butler communities serve as extensions of the Butler University Alumni Association, representing different geographic areas, industries, and identities. In addition to serving the Alumni Association’s mission, communities exist to advance the University’s priorities and to provide opportunities for graduates, family, and friends to engage with Butler University and with one another.

Butler Community Structure

Butler communities are led by a volunteer steering committee. The steering committee should consist of at least six (6) members, including a two (2) person leadership team made up of a Chair and a Vice Chair.

Depending on the size of the Butler community, the steering committee may elect to add additional leadership positions to achieve the objectives of the group (ex. Event Chair(s), Young Alumni Chair, Secretary, Communications Chair, etc.). In this case, the Community Chair will work with the Office of Alumni Relations and Engagement to create additional positions.

In order to divide responsibilities evenly among the steering committee, the Office of Alumni Relations and Engagement strongly recommends that the leadership team assign an event chairperson, or lead, for each event. This person would serve as the primary point-of-contact for the event, and assume the following responsibilities:

- Contact, visit, and secure venues, consider menus and accessibility, and communicate findings with Alumni Relations staff
- Send final attendee list to Alumni Office within three days of the event

Role of a Steering Committee

A volunteer steering committee works in partnership with the Office of Alumni Relations and Engagement staff to achieve the mission and objectives of the Butler University Alumni Association. Steering committees provide opportunities for alumni, family, and
friends to stay engaged in meaningful ways that benefit the overall mission of Butler University by:

- Working with the Office of Alumni Relations and Engagement to coordinate a balanced calendar of events and programs that best aligns with the University’s strategic priorities
- Actively promoting volunteer and engagement opportunities with members of the Butler community
- Representing Butler University as the primary point of contact in the area/industry/identity
- Communicating regularly with fellow volunteers and the Office of Alumni Relations and Engagement staff

- Carries out the duties of the Community Chair in his/her absence

**Steering Committee Member Selection Process**

If more than one candidate is interested in an open position, the committee should host a vote with assistance from the Office of Alumni Relations and Engagement.
If the steering committee has vacancies, community leadership will work with the Office of Alumni Relations and Engagement to identify potential candidates.

**Term Limits**

All steering committee members should commit to serving a two-year term, beginning at the start of the fiscal year (June 1) and ending on May 31 of the second year. Members are welcome to serve more than one term, pending evaluation with the Office of Alumni Relations and Engagement.

A committee member may resign from the steering committee by giving notice to the Community Chair. Vacancies shall be filled by the Office of Alumni Relations and Engagement with guidance from the Community Chair.

Any committee member who fills a vacant position will only be responsible for serving the remainder of that term.
