Position Title: Physician Assistant/Nurse Practitioner

Reports to: Chief Executive Officer (CEO)

Job Summary:

The Physician Assistant/Nurse Practitioner delivers gastroenterology medical care to a variety of patients. This healthcare professional is responsible for caring for patients, maintaining accurate and current patient records, and arranging for scheduling of follow-up appointments to patients as required. This employee will work as part of the team with our providers and staff in delivering premium health care services.

Essential Duties and Responsibilities:

- Analyze and interpret patients' histories, symptoms, physical findings, or diagnostic information to develop appropriate diagnoses.
- Diagnose or treat acute gastroenterology illnesses.
- Recommend diagnostic or therapeutic interventions with attention to safety, cost, invasiveness, adherence, and efficacy.
- Prescribe medications based on efficacy, safety, and cost as legally authorized.
- Educate patients about self-management of acute or chronic illnesses, tailoring instructions to patients' individual circumstances.
- Deliver quality care while maintaining all company metrics pertaining to productivity.

Competencies:

- Ability to work within a team and take direction from physicians.
- Experienced user of EHR medical charting systems.
- Strong written and interpersonal communication skills.
- Excellent organizational and problem-sensitivity skills.
- Appropriate education and certification credentials.
- Prescriptive authority DEA licensure.

- Current BLS certification
- Minimum 3 years clinical experience as an PA/NP.
- Clinic experience in gastroenterology is required.
- Valid PA/NP license in Colorado.

Performance Measures:

- Experienced physician assistant/nurse practitioner level of medical competency.
- Ability to take a medical history from and perform examination of patients.
- Analyses and diagnosis of patients' symptoms, physical findings and diagnostic information is accurate as determined by supervisory review.
- Medical record notes and documentation are accurate, detailed, and timely.
- Patient feedback is positive with minimal complaints. Issues are resolved in a professional manner.

Working Conditions and Physical Requirements:

- Ability to walk, stand, stoop, bend, or sit for extended periods of time.
- Physical demands (percentage of time spent in each activity (estimate)):
 - Walking 30% - assisting providers and staff, delivering information personally to other departments, collaborating with other department employees.
 - Sitting 70% - coaching employees, answering the telephone, and working on the computer.
- Number of pounds that must be lifted, carried, pushed, or pulled: up to 50 lbs.
- Assisting patients in exams, stooping, kneeling, crouching, reaching, fingering (i.e., keyboarding, performing patient exams, controls on a scanner, fax, etc.)
- Ability to speak clearly to be understood by our patients, providers, staff and business partners.
- Ability to hear within normal range. Able to hear conversations on the phone in a typical, sometimes noisy office environment.
- Acuity near and far. Ability to see within normal parameters, and to distinguish colors.
- Works in a well-lit, heated/air conditioned environment. Temperatures between 68 and 74 degrees.
- Work may involve exposure to communicable diseases, medicinal preparations, and other conditions common to a clinic environment.
- Must be able to drive between clinic locations.
- Extensive keyboarding required.

The Centers for Gastroenterology is committed to creating a diverse environment and is proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, military, or veteran status.

The salary range for this position is \$90,000 - \$105,000 plus productivity bonus.

Benefits: CFG sponsored benefit package includes employer paid medical insurance with a health savings account and medical expense reimbursement plan, paid time off, extended illness benefit, and generous 401(k) plan with matching contributions.
