

Butler University Career and Professional Success Policies

Butler University's **Office of Career and Professional Success (CaPS)** provides services for the benefit of Butler students and alumni seeking career opportunities. By seeking access to, or participating in, these services, an employer or recruiter agrees to comply with the policies that follow.[RR1]

Recruiting services include on and off campus activities, including but not limited to: career/job fairs, employer information tables, employer information sessions, off-campus site visits, job shadows, on-campus interviews, CaPS organized outreach events at the University and online job posting service (Handshake). - We will market your events through various communication channels, but event attendance is not guaranteed.

The CaPS office maintains and promotes a policy of nondiscrimination and non-harassment on the basis of race, religion, color, sex, age, disabilities, sexual orientation and gender identity or expression, national origin, military service status, genetic information, and citizenship status[RR4] [SJ5] . - The employment opportunity involves on-campus solicitation for the company's products, posting of company's materials, sale/distribution of products and services or solely promoting a political candidate.
- The organization requires an initial payment or investment. Investments of this type may include, but are not limited to: requirement to attend unpaid orientation or training sessions; direct payment of a fixed fee; payment to attend orientation or training sessions; and/or purchase or rent of a starter kit, sales kit, samples, or presentation supplies.

Section 6: Services Provided to Third-Party Recruiters

Third-party recruiters are agencies, organizations, or individuals recruiting candidates for employment opportunities other than for their own needs. Third-party recruiters using CaPS services are expected to follow the same policies and procedures established for recruiters representing their own organization. In addition, third-party recruiters are expected to adhere to several specific practices to ensure open and accurate communication with Butler students. CaPS will provide assistance to third-party recruiters when a third-party recruiter meets the following conditions:

- Abides by the NACE and EEO policies and laws (see Section 1).
- Charges no fees to the candidate.
- Provides a position description to CaPS staff for valid openings including the end employer's name.
- Shares with candidates that openings are with other organizations, not their own.

Section 7: On-Campus Recruiting

- CaPS will provide scheduling support for recruiters via Handshake.
- Recruiters seeking to schedule on-campus interviews outside the Handshake scheduling process are required to provide our office with a description of the recruiting process used to fill the schedule, as well as a copy of the interview schedule prior to the interviews.
- CaPS will try to provide equipment (laptop computer, projector, etc.) for outreach events if requested in advance.
- Interview rooms are complimentary except during peak usage periods (including career fairs).

Section 8: Event Cancellations and Refund Policy

Payments must be received by the close of business one week in advance of the event. If payment is not received in a timely manner, the CaPS office reserves the right to reconsider the organization's participation in future recruiting events. Our office can discuss other payment options on an individual basis, such as bringing a check to the event. We will continue to bill organizations for outstanding event fees until payment is received.

Cancellations made at least three business days in advance of the event will receive a full refund. If cancellations are made after this time, the organization will be responsible for the full registration fee.

Section 9: Credit Card Privacy Policy

CaPS only keeps information for payment record. This may include, but is not limited to, a first and last name, a physical address, an email address, and a phone number. We do not keep record of any credit card information. Please note that this policy is for credit card payments to CaPS only and does not apply to third-party sites linked from our website. Please check the privacy policies on those websites for more information.

Section 10: Posting Jobs at Butler University

- To post jobs on Butler's campus, employers are encouraged to create an account with Handshake (butler.joinhandshake.com) to directly post their own, open positions. Our office also provides a form in the event an employer needs assistance posting on Handshake. The online form may be found in the "For Employers" section at butler.edu/career. Employers may also submit one-page flyers to be reviewed, printed, and posted by our office (see Section 11).
- In order to post on Handshake, the CaPS office requires a valid email address with a company domain attached. Personal emails (e.g., Gmail, Hotmail) may be accepted in cases of part-time, informal employment such as childcare, housework, etc.
- Jobs posted on the Handshake system will automatically be assigned an expiration date 30 days past the posting date if a date is not provided by the employer. Employers may select an expiration date earlier than the 30-day default.
- Postings can include part-time, internship, co-op, volunteer, project-based, and full-time opportunities.
- CaPS reserves the right to delete or decline job postings deemed unsuitable for students/alumni per Section 4.
- Employers who have not filled the job may repost for an additional 30 days.
- Third-party recruiters may submit job announcements to CaPS for posting (See Section 6).
- Posting of any job description is not to be construed as an explicit or implicit endorsement or recommendation of a recruiter, an employer, or the opportunity by the university.

Section 11: Flyers

CaPS can review, approve, and post one-page fliers regarding employment opportunities or career-related events on community bulletin boards around campus subject to the following requirements:

- Flyers must bear our office's stamp, and the approval is good for a maximum of 30 days.
- Flyers must include employer name and contact information.
- Flyers must adhere to posting policies mentioned in Section 10.

Section 12: Career/Job Fairs

- Career/job fairs are designed to provide a venue for sharing employment information.
- Career/job fairs are not intended for recruiting other businesses or for selling products and/or services.
- Please see Section 8 regarding payment and cancellation policies.
- Registrations via Handshake will be reviewed by CaPS staff. Registration may be denied based on the nature of the fair and/or employer standard in Section 4. Employers will be provided with all the details and logistics of the event through a confirmation email.
- Employers who arrive at the event location without pre-registration will not be able to participate.
- It is expected that career/job fair participants attend the entirety of the event. If the representative(s) must leave early, providing contact information on the table for follow up is strongly encouraged.

Section 13: Grievances

The CaPS staff will investigate complaints by students about an internship experience, job posting, employer, or career event, proceeding as follows:

1. We will suspend employer account activity during the investigative period.
2. We will make contact with each individual who may have relevant information, including, but not limited to, the students, faculty, the department internship coordinator, the employer, and Butler legal counsel.
3. Upon completion of the investigation, we reserve the right to suspend the organization's access to recruiting services. If we find that the organization has violated Butler policies, NACE policies and/or Equal Opportunity laws and policies, we will terminate the employer's access to our recruiting services. Violations pertinent to Title IX or Title VII will be reported to the university. Illegal activity may be reported to the proper authorities.
