B.A. IN THEATRE *PLUS* A SECONDARY MAJOR IN PUBLIC HEALTH

- The B.A. degree in Theatre requires 124 credits.
 - 40 hours must be 300 or 400-level courses.
 - All theatre majors have Arts Event Attendance Requirements; for details, check <https://www.butler.edu/jca/for-current-students>.
- A total of 50 credit hours, including both required and elective courses, must be taken to complete the Public Health major. No more than one course required of the major may count towards satisfying university core requirements.
- The double major of Theatre and Public Health will fulfill the following Areas of Inquiry in the University Core Curriculum: Perspectives of the Creative Arts and an additional Core area, dependent upon the Electives chosen. In addition, the B.A. Theatre curriculum fulfills the Indianapolis Community Requirement and the Social Justice and Diversity requirement of the Butler University Core Curriculum; theatre majors are exempted from the Butler Cultural Requirement because of the arts event attendance requirements for all arts majors.
