

Premier Family Medicine

Independent Outpatient-only Practice

INDIANAPOLIS

Premier Family Medicine is looking for a family medicine provider with a passion for helping people.

Why Premier Family Medicine:

- Focus on your patients' needs and work with specialists that best satisfy those needs, regardless of hospital affiliation.
- Top Rated practice by both patients and payers
- Highly insured patient base with no Medicaid
- Guaranteed Income with generous production incentive
- 21 years independent practice experience
- Physician Leadership: Physicians direct clinical aspects of the practice
- Excellent Support Staff that is responsive to your needs and is accountable to you
- State of the Art, Physician Friendly, Efficient EHR
- In-house Phlebotomist
- 1:9 Telephone Call only (no Inpatient, no OB, no Nursing Home)
- Administration that is flexible and responsive to the needs of our doctors
- Providing Home / Work balance

We are a progressive practice working closely with payers to keep patient costs down by providing needed outpatient services. As a premier Indianapolis provider, we have recently partnered with VillageMD to provide more personalized preventative care to our patients and help them avoid costly hospitalizations. This has resulted in better care for our patients and better reimbursements for us.

We have also partnered with other groups to provide premier care to our patients.
