Our group is growing and we are in search of qualified PA candidates to work alongside our group of Board-Certified EM physicians and outstanding group of Advanced Practice Providers.

Shifts are 9-12 hours (no night shifts), full-time = 36 hours per week. Hourly salary and benefits package are highly competitive. Benefits include paid health insurance premium, 401(k) and Safe Harbor pension plan, CME funds, paid malpractice with tail, and paid vacation/PTO.

Preceptorship opportunities with the Butler University and Franklin College PA programs are also available for those with interest in PA education.
