

# COLLEGE LEVEL EXAMINATION PROGRAM BUTLER UNIVERSITY

Butler offers advanced placement with appropriate academic credit in most subject areas covered by AP, IB, as well as College Level Examination Program (CLEP) examinations. Applicants should request that their scores be reported to the Office of Registration and Records. Students earning AP (scores of 4, 5), IB (scores 5–7), or transfer credits have these credits applied to major requirements (at the discretion of the department), or counted as electives fulfilling Butler degree requirements. For additional complete information see <https://www.butler.edu/registrar/credits-ap>.

AP credits may also meet Core Curriculum requirements. For transfer credits to apply to Core Curriculum requirements, the course must be found to be consistent with the learning objectives of the Core area of inquiry.
