  - Applies to fall and spring semester enrollments only, with half of the annual value crediting to the student account each semester.
  - Is available for a total of eight semesters of continuous full-time undergraduate enrollment (10 semesters for Engineering Dual Degree Program) or until a bachelor’s degree is obtained, whichever is less.
  - Is subject to review and adjustment for major changes into Pre-Physician Assistant, Physician Assistant, or Health Sciences.

- The combination of all awards, including outside scholarships, cannot exceed the cost of attendance.

- This scholarship may be used in the full amount for overseas study in an approved exchange program. An approved non-exchange program is limited to 50 percent of the award amount for the first semester of overseas study and 25 percent of the award amount for the second semester of overseas study. This award is only eligible for two semesters of overseas study.

Renewal Criteria

- A cumulative grade point average (GPA) of 2.75 (without rounding) on a 4.0 scale must be met, while maintaining full-time undergraduate enrollment (at least 12 credit hours) per semester and making satisfactory academic progress towards a degree from Butler University.

- Your cumulative GPA will be reviewed at the end of each spring semester. If your GPA is under the 2.75 GPA requirement, your eligibility for Butler gift assistance will be reviewed.

- If your scholarship is not renewed, you must submit a written request for reinstatement to the Office of Financial Aid when your cumulative GPA reaches a 2.75 or better.

- To reserve your scholarship if you leave the University for personal reasons, you must request a leave of absence from the Office of Financial Aid. The written request must be submitted prior to the 10th day of the semester for which the leave is requested. If the Office of Financial Aid approves the leave of absence, the scholarship may be reserved for a maximum of two semesters. Personal reasons may include medical, financial and experiential; however, attendance at another university or college does not qualify.
