HOW CAN EMPLOYERS GET INVOLVED ON CAMPUS?

POST A POSITION ON HANDSHAKE
Handshake is the main outlet for promoting on- and off-campus jobs, internships, volunteer opportunities, and gap-year programs, to students and alumni alike. Visit: butler.edu/career

HOST AN INFORMATION TABLE OR SESSION
Information tables in our student union are perfect if you’re looking for brand recognition or to hire for part-time positions. There is no charge.

Info sessions can be a great way to connect with students if you have an established internship program and want to share application tips and tricks. Our team can help create a tailored campus experience to meet your needs.

INTERVIEW STUDENTS AND ALUMNI ON CAMPUS
Host on-campus interviews with Butler students and alumni! Post your position to Handshake and review your top applicants. Two weeks' notice is strongly preferred.

VOLUNTEER
Our office relies on volunteers who have a passion for mentoring young professionals through summer programs, presentations, programming, and classes. Opportunities vary throughout the year.

ATTEND A CAREER FAIR OR NETWORKING EVENT
Informational
› Our semi-annual Recruiter Information Breakfast helps recruiters learn more about the University and how to get involved on campus.

Fairs
› We host a variety of fairs, from large trade-show style to small industry-specific. Our calendar of fairs can be found at: butler.edu/career

Networking Events
› We offer multiple networking events that center around specific industries or topics, such as workplace diversity. Our calendar of events is updated throughout the year at: butler.edu/career
WHAT OTHERS SAY ABOUT US

• Most Innovative School in the Midwest
• Ranked #2 College in the Midwest
• Ranked among the nation’s finest in:
  › First-year student experience
  › Internships
  › Study abroad
  › Undergraduate research and creative projects

U.S. News and World Report, 2018

97%
The Butler Way works. Ninety-seven percent of our graduates* were employed, attending graduate school, or in gap year programs within six months of graduation.

*This information is based on 80% of 2017 graduates. Data is collected up to six months post-graduation from sources including students, employers, faculty, staff, parents, and online.

ABOUT US

Formerly “Internship and Career Services” and “Lacy School of Business Career Development,” we’re now a unified office called “Career and Professional Success (CaPS).” We serve all Butler students and alumni, regardless of major, for life.

CaPS provides a single entry point for employers and recruiters on campus. We create opportunities for recruiters to connect with all Butler Bulldogs, supporting students and alumni’s career development, as well as employers and service organizations’ needs for strong talent in the 21st century workforce.

OFF-CAMPUS OPPORTUNITIES

Many organizations offer off-campus engagement opportunities to continue building their brand and connect with students. Our office has coordinated:
• Site visits
• Job shadowing opportunities
• Informational interviews
• Open houses

Please contact our office directly to discuss a personalized approach for your interests and goals.

SPONSORSHIP OPPORTUNITIES

Sponsorship increases brand recognition and awareness on campus. CaPS and Butler University offer a variety of event and programming sponsorship opportunities to showcase your organization to students and alumni. If you are interested in sponsoring an event, please reach out directly to our office to discuss these options. We will work with you to create a personalized sponsorship plan that supports your brand and campus goals.

EXPERIENTIAL LEARNING IS A KEY PART OF WHO WE ARE AS A UNIVERSITY

Butler students are gaining valuable experiences on and off campus.

College of Communication
• 450 undergraduates.*
• Many majors require a credit-bearing internship.

College of Education
• 300 undergraduates.*
• All majors require two student teaching experiences.

College of Liberal Arts and Sciences
• 1,400 undergraduates.*
• Internship requirements vary per department.

College of Pharmacy and Health Sciences
• 900 students.*
• Most majors require rotations and/or an internship.

Jordan College of the Arts
• 350 students.*
• All majors require completion of career-related activities.

Lacy School of Business
• 1,000 undergraduates.*
• All majors require two internships, and students follow a four-year Blueprint program. Students also have a career mentor for their four years.

*Approximate numbers

Butler also offers several graduate programs and graduate non-degree certificates and licensures. Many emphasize experiential learning in their curriculum.
