Handshake – To find on-campus jobs:
1. Login in to Handshake and go to the “Jobs” section in the right hand column.
2. In the “Job Type” section, you can select filters like “On-Campus Employment” or “Internships”. These will filter all of the positions that are on-campus currently including federal work study. Additionally you can search by “Part time” openings.
3. The wider your search filters, the more roles you may be able to view and apply for!
