SUPPORTING STUDENTS BEYOND *the* CLASSROOM

OUR GOAL:

Following in our founder's footsteps, the Founder's Week planning committee wants to support all student identities as they pursue opportunity at Butler University. Our goal is for 100% of our staff to donate \$18.55 to our deserving students through support of The Efroymsen Diversity Center and the Butler Tuition Guarantee Scholarship.

EFROYMSON DIVERSITY CENTER

For the past 10 years, the Efroymsen Diversity Center has provided a safe space for all students to celebrate one another's differences. The Center is home to many student organizations that support equality. Your gift will support life-changing experiences such as an additional Dawg Days pre-orientation program before each spring semester and an annual service trip to New Orleans.

BUTLER TUITION GUARANTEE

Your support will provide funding to sustain this scholarship offered to IPS students who show excellence in academics, character and service. The Butler Tuition Guarantee Scholarship covers a student's tuition for four years, making it possible for deserving local students to become Bulldogs.
