ON CAMPUS STUDENT EMPLOYMENT NEW HIRE INFORMATION

This information sheet explains the necessary steps Butler students must complete in order to work on campus. On the next page Butler students will find a guide on how to search and apply for on campus positions.

What do I as a Butler student need to do if I have never worked on campus?
If you have never held a job on campus, you are considered a “New Hire”. You will need to complete some additional paperwork before you may begin working in any on campus position.

New Hire Paperwork Packet includes:

- Policy Acknowledgement Form for Butler
- I-9
- Color photocopies of students identification documents (Passport, ID, Social and/or Birth Certificate)
  - These identification documents MUST be the originals (no copies or photos will be accepted)
- Federal Tax Forms (W4)
- State Tax Forms (WH4)

These documents need to be completed and returned to the Internship and Career Services office (Atherton Union, RM 315) to the Student Employment Coordinator for review.

Butler students are encouraged to consult their parents/guardians or the Student Employment Coordinator when completing all necessary federal and state tax paperwork.

*Note: Positions with Starbucks, the Dining Halls, the Bookstore (Follett), Scotty’s Dawghouse and some positions with BuffaloCody (Butler Telefund) are not considered Butler Student On Campus Employment.
