Panhellenic Recruitment Guide

Butler University
Welcome!

Welcome to the tradition that Butler has sustained for over 150 years: Greek Life! The opportunities that Panhellenic sorority life can bring you are never-ending. All of the sororities on campus aim for excellence in academics, campus leadership, and community involvement. Each sorority chapter is unique, but no matter the letters, we are tied together as one big Greek family.

Our primary Panhellenic recruitment period is an exciting time that occurs just before the start of the second semester. During recruitment, you will visit the chapter houses and learn about different aspects of membership within these organizations. However, before recruitment even starts, there are a number of ways to explore Greek Life at Butler. There may be opportunities to meet sorority members at a chapter house for lunch or dinner, as well as to attend all-campus philanthropy events. Sorority Open House events will be held on September 15 and November 10. Butler's Sorority 101 will provide you with an overview of sorority life, while Cocoa and Questions with Panhel will give you more information on Primary Panhellenic Recruitment, including attire, schedules, and so much more. We encourage you to attend these events and learn more about our Panhellenic sorority community. We are so glad that you made the decision to look further into Greek Life and we cannot wait to share this journey with you!

Why go Greek?

**Scholarship.** Higher than the campus average, the Greek GPA reflects sorority membership's dedication to excellence in the classroom. With so many sisters around, there is always someone to study with you. Sororities encourage the academic success of their members and academic achievement is a point of pride for Butler sororities.

**Philanthropy.** Here at Butler, sororities and fraternities are very passionate about donating their time and service to others. In the 2017-2018 school year, the Greek community completed over 18,000 service hours and raised more than $265,000 for philanthropy.

**Leadership.** There are numerous opportunities for leadership roles in a sorority. From being a chapter officer to taking a role in the Panhellenic Association, you can develop many skills that will help you succeed at Butler and beyond.

**Friendship.** More than just providing fun social events, sorority membership allows individuals to meet amazing friends and develop interpersonal skills. Whether you need a shoulder to cry on, a running buddy, or a friend who shares your love of food, sorority sisters will always be there when you need them!
The Butler Panhellenic Association is the tie that binds many sororities together. As a member of the National Panhellenic Council (NPC), it is a group of representatives from the seven NPC chapters on campus: Alpha Phi, Alpha Chi Omega, Delta Delta Delta, Delta Gamma, Kappa Alpha Theta, Kappa Kappa Gamma, and Pi Beta Phi.

Every member of these organizations is a member of the Panhellenic Association by affiliating with a specific chapter. In addition to coordinating recruitment, the Panhellenic Association also provides leadership, service, educational opportunities, and programming. The Panhellenic Executive Board consists of officers who facilitate these activities on behalf of the NPC Chapters. The Executive Board has planned informational events throughout the Fall semester to help you learn more about Butler's Greek community and all it has to offer. We encourage you to attend these events: Sorority 101, Meet the Greeks, and Cocoa and Questions with Panhel.
Recruitment Counselors

The Panhellenic Executive Board selects Recruitment Counselors from every chapter on campus to guide you through the recruitment process. These individuals are available to respond to any questions or concerns you may have regarding recruitment, as well as remain completely neutral throughout the process. This means that they have agreed to have no communication with their chapter regarding recruitment matters. They do this to ensure that you will receive the most unbiased advice and information possible as you proceed through the recruitment process.

Recruitment Counselors, alongside the Panhellenic Executive Board, are your best and most informed Greek resources. Please direct any questions or concerns about Greek Life towards them.
Recruitment Counselors

Allison Everhart

I LOVE BEING A RECRUITMENT COUNSELOR <3

Allison is a Senior Spanish major with Chemistry and Education minors. She loves to go grocery shopping in her free time, when she is not binge-watching New Girl on Netflix. If she had to give one piece of advice about recruitment, it would be "Be uniquely YOU! Be proud of who you are! Know that you are not only joining a chapter at the end of the week, but a community that empowers each other to be the best that they can possibly be."

Would you like to connect with Allison?

Ashley Ritzenthaler

I CAN’T WAIT TO MEET ALL OF YOU AND GO THROUGH THIS CRAZY, BEAUTIFUL, TIRING, YET AMAZING PROCESS TOGETHER!

Ashley is a Junior Secondary Special Education Major with minors in both Spanish and English as a New Language. As next door neighbors go, she certainly doesn’t have it “ruff.” She lives next to our very own live mascot Trip! She enjoys watching New Girl in her free time. If she could give one piece of recruitment advice, it would be to, “Take advantage of every conversation you get to have throughout the week. You will learn so much about the houses while making friends in each of them! Be present in the conversation, and I know this is cheesy but be yourself! It seems scary, but you’re just connecting with different girls trying to find somewhere that you feel at home! Focus on your feelings and how you feel in the houses, and not stereotypes or previous thoughts going in. Be open minded!”

Would you like to connect with Ashley?

Bella Nasser

Bella is a Junior Marketing Major with a minor in Recording Industry Studies. When she is not in the classroom or in the recording studio, she is spinning pottery. Her favorite Netflix binge is New Girl. If Bella could give one piece of advice about recruitment, it would be to, "Focus on making friends, not impressing anybody."

Would you like to connect with Bella?

Elizabeth Small

A Junior with a major in Elementary Education and minors in Mild Intervention, Diverse Learners, and General Business, Elizabeth is very busy! When she is not studying though, she is watching Marvel’s The Punisher. She is super passionate about the COE and had the opportunity to not only co-teach with two of her COE professors during her first year, but also write and publish her first piece of writing in the COE Year in Review. If Elizabeth could give one piece of recruitment advice it would be, “As cheesy as it is, just be yourself! You might feel that you need to impress the houses, but I am going to let you in on a secret, the houses want to get to know YOU! The real and authentic you. Most importantly, during recruitment remember to breathe!”

Would you like to connect with Elizabeth? Email her at egsmall@butler.edu

Elizabeth Wang

Elizabeth is a senior Health Sciences and Pre-PA major with minors in Healthcare Management and Chemistry. Born in Hawaii, this Bulldog loves Stranger Things and is so excited to meet you all! If Elizabeth could give one piece of recruitment advice it would be to, “Be yourself!! The great thing about recruitment at Butler is that you have an entire semester to get to know some of the girls and build amazing relationships.”

Would you like to connect with Elizabeth? Email her at ewang@butler.edu

Emily Hinkle

Emily, a Senior Pharmacy major, loves spending her free time watching The Good Place. In addition to this, she also taught her dog to smile for pictures. If she could give one piece of recruitment advice, Emily would advise to, "Go with your gut! Don’t go where you THINK you belong, go where you FEEL you belong!"

Would you like to connect with Emily? Email her at ehinkle@butler.edu
Recruitment Counselors

Hanna Silverman

I am so excited to meet you all! I was a RC last year and I loved it so much that I’m doing it again! Feel free to reach out to me with questions or concerns!

Hannah is a Senior Communication Sciences and Disorders Major. When Hannah isn’t in the classroom or the clinic, she is either scuba diving or binging on Orange is the New Black. If Hanna could give one piece of recruitment advice, it would be, “Be yourself!”

Would you like to connect with Hanna?
Email her at hsilverm@butler.edu

Josey Noel

Josey is a Junior Biology major studying on the Pre-Medicine track with a minor in Chemistry. When she is not studying medicine, she is watching shows about it: her favorite Netflix binge is Grey’s Anatomy! This girl is a bulldog through and through with three bulldogs of her own. If Josey could give one piece of advice about recruitment, it would be to “Be your true, authentic self! It is easy to get lost in all of the conversations you have throughout the week, but do not forget your values.”

Would you like to connect with Josey?
Email her at janoel@butler.edu

Katherine Bromley

I am so excited for recruitment! YAY!

Katherine is a Junior Elementary Education major and has minors in Diverse Learners and Reading. If she could, she would eat ice cream for every single meal for the rest of her life. She typically eats this ice cream while watching New Girl. If she could give one piece of advice about recruitment, it would be to “Try to take a little time for yourself, take some notes if you have some free time, and think about what would make YOU happiest, and not what would make your friends happiest.”

Would you like to connect with Katherine?
Email her at kbromley@butler.edu

Kourtney Frechette

Kourtney is a Senior Elementary Education major and has minors in Diverse Learners and Early Childhood Education. When she is not in the classroom learning or teaching, she is either playing the ukulele or binging The Vampire Diaries. If she could give one piece of advice about recruitment, it would be to "Take a deep breath and rest during your free time. It's a long week and you'll need lots of sleep!"

Would you like to connect with Kourtney? Email her at kfrechet@butler.edu

Laura White

Greek yogurt + strawberries + mini chocolate chips is the best snack/meal. Don’t @ me!

Laura is a Senior Communication Sciences and Disorders major and has a minor in Mild Intervention. Ironically enough, she is named after her Uncle Larry. When not in the classroom or in the clinic, Laura spends her free time watching the Chilling Adventures of Sabrina. Laura advises that, as you go through recruitment, to "take tons of notes after each house! It helps you remember what you thought and which houses you liked!"

Would you like to connect with Laura? Email her at lewhite@butler.edu

Lauryn Rees

Lauryn is a Senior Communication Sciences and Disorders major and has a minor in Psychology. When she is not in the classroom or working at summer camp, she is binging Designated Survivor. If Lauryn could give one piece or recruitment advice, it would be to "Stay funky and unique! It never hurts to be yourself! Go through with no regrets!"

Would you like to connect with Lauryn? Email her at lrees@butler.edu

Maria Gulan

Maria is a Senior double majoring in Spanish and Marketing, with a minor in Healthcare Management. Not only is she scholastically gifted, but Maria can also lick her elbow. When she is not studying or defying the laws of physics, Maria is binging Jane the Virgin. If Maria could give one piece of recruitment advice, it would be to "Be yourself and have fun meeting new people!"

Would you like to connect with Maria?
Email her at mlgulan@butler.edu

Mary Schroeder

Mary is a Senior Communication Sciences and Disorders major with a minor in Mild Intervention. She studied abroad with a fellow recruitment counselor and misses it frequently, making her not only a super student but a world traveler. In her free time, Mary watches Schitt's Creek. If Mary could give one piece of advice to those going through recruitment, it would be "Don't stress about your outfits! Dress like your authentic self and wear whatever makes you feel most confident and beautiful!"

Would you like to connect with Mary?

MK Klaybor

MK is a Senior Secondary Education major with Spanish and History minors. Her secret skill is winning prizes from claw machines. When not outsmarting prize machines or studying, MK is watching Criminal Minds. If MK could give one piece of recruitment advice, it would be to "Approach each day with a positive mind attitude and an open mind."

Would you like to connect with MK?
Email her at mklaybor@butler.edu

Morgan Stokes

Morgan is a Senior Communication Sciences and Disorders major on a Pre-Occupational Therapy track with a Health Sciences minor. Her claim to fame is that she touched Thomas Rhett at a concert once. When not at a concert, in the classroom, or in the clinic, Morgan is binging Lucifer. If she could give one piece of advice, Morgan would tell girls going through recruitment to "Go into recruitment with an open mind and ALWAYS be true to yourself and your values."

Would you like to connect with Morgan?

How to Register

Please visit:
http://butler.mycampusdirector2.com

We are excited that you are interested in Primary Recruitment, January 7-12th. Here at Butler, we use online registration!

Online registration will open October 10th through December 9th. Once you complete your recruitment account, an online payment of $85 is required before your registration is complete. The Panhellenic Association uses a secure online payment system service for this charge called GreekBill.

The recruitment fee is used to cover administrative costs of the Panhellenic Association, as well as covering most meals during recruitment. Meals will begin on Wednesday, January 8 with lunch. Breakfasts, as well as dinner on Saturday, January 11 are not included, so please plan accordingly. Your meal plan begins with dinner on Sunday, January 12th.

If you wish to register after December 9th, or if you wish to pay by check or money order, you will need to contact Brittany Head, Panhellenic Vice President of Recruitment, bhead@butler.edu.

Early Arrival Fee: There will be an early arrival fee applied to all students living in the residence halls during recruitment. This fee will be $25 per day for Tuesday, Wednesday, Thursday, and Friday ($100 total). This fee will be applied directly to your student account. Should you decide to withdraw from recruitment after Wednesday, your student account will be credited.

Important deadlines: Monday, December 9th is the last day to register for recruitment, as well as the last day to withdraw from recruitment and receive a partial refund of $75. After this date, no requests for refunds will be accepted.

***Please make travel plans accordingly. You will not be able to return to campus earlier than Tuesday, January 6th. Fraternity Recruitment is on a different schedule and residence halls do not open for students returning for Fraternity Recruitment until Wednesday, January 8th. Do not plan to share travel with students returning for Fraternity Recruitment or with fraternity or sorority members who may be arriving earlier.
Recruitment: Process and Details

Panhellenic Primary Recruitment is a week-long process through which potential new members may be invited to membership of one of Butler's seven NPC sororities. During this week, potential new members and chapter members get to know one another through four days of events: 8 Party, Sisterhood Day, Philanthropy Day, and Preference Night. Events are scheduled through much of the day with a meeting in the evening. These events are organized to give potential new members the opportunities to see many different aspects of sorority life, as well as allowing the chapters to get to know potential new members.

As the week progresses, events are invitational. Participants are required to accept their maximum number of invitations each day so that the potential new members can maximize their opportunities to get to know the chapters. With each successive day, the events become more personal and meaningful, giving participants the chance to see the unique characteristics of the chapters. Depending on the number of participants, additional event times may be added to accommodate chapters and all women receiving invitations to a round. Individual schedules may include multiple breaks throughout the day.

The Recruitment Schedule

- 8 Party: Attend events at each house (all required)
- Philanthropy Day: Attend up to six events, as invited
- Sisterhood Day: Attend up to four events, as invited
- Preference Night: Attend up to two events, as invited
Recruitment: Process and Details (Continued)

Every morning, participants will meet with their Recruitment Counselors and receive their individual schedules for that day. Attendance will be taken and potential new members will line up in the Reilly Room prior to each event. Recruitment Counselors will escort participants between the chapter houses and the Reilly Room. Since there will be a lot of walking, it is important for you to wear comfortable shoes!

At the end of each day, potential new members will meet with their Recruitment Counselors to process their experiences from that day. The potential new members will indicate their priorities for attending events the following day, in the event they receive more than the maximum numbers of invitations.

Each recruitment round has some potentially long days due to the number and length of events. Remember, you will be taking time to talk to a variety of women from various chapters and learning more about their organizations. It is a great way to meet a lot of people at Butler in a short amount of time!
Day One: 8-Party

For the 8-Party Round, you will attend seven 40-minute events. During this day, you will receive an overview of each sorority and have the opportunity to talk to members in each chapter. You will be touring all seven sorority houses with at least one 40-minute break during the day. To protect your property and as a courtesy to chapters, please do not bring purses or cell phones to recruitment events. When it gets rainy and/or cold, remember it is alright and encouraged to dress accordingly. This day's events typically last from 8:30am to 6:30pm.

The dress for 8-Party, Philanthropy and Sisterhood round is casual. Chapter members will be wearing a variety of jeans and matching t-shirts. Cute sweaters, jeans and booties are typical of this day. Some examples of what to wear are depicted below by some of our members.

Day Two: Philanthropy

Philanthropy Day consists of up to six 40-minute events, by invitation. For this round, you will be given an in-depth look at each sorority's philanthropy. You might make a craft related to the specific philanthropy or hear a presentation about a local initiative. This day's events typically take place between 8:30am and 6:30pm.
Day Three: Sisterhood

On Sisterhood Day, you will attend up to four 1 hour events, by invitation. For this round, you will gain a better understanding of the special and unique sisterhood bond members share with one another. The time frame for this day is typically between 10:30am and 6:30pm.

Day Four: Preference Night

Preference Night is the final round of recruitment. You will attend up to two 75-minute events, by invitation. For this night, individuals will get a chance to see the serious side of Greek Life and be introduced to special events in the chapter. This day's events typically take place between 3pm and 9pm.

Dress for this evening is business casual. An example of what chapter members is wearing is depicted below. Cocktail dresses, slacks and blazers are appropriate for this event. Do not be afraid to bundle up with boots and sweatpants between rounds.
Sorority Lingo

**Active Member:** A fully initiated undergraduate member of a fraternity or Panhellenic sorority in good standing.

**Bid:** An invitation to join a sorority or fraternity.

**Chapter:** Local organization or undergraduate students on a campus recognized by the University and the national or international organization.

**Initiation:** A traditional ceremony that brings a new member into full membership of a sorority or fraternity. Once you are initiated into a NPC sorority, you are ineligible for membership in any other.

**Intentional Single Preference:** When a potential new member attends more than one Preference Event but intentionally lists only one preference on the Membership Recruitment Acceptance Binding Agreement (MRABA).

**Legacy:** A daughter, sister, or granddaughter of an initiated member of a sorority. The NPC sororities with chapters at Butler do not recognize aunt/niece relationship as a legacy. Being a legacy does not guarantee a bid to a particular sorority. Each national or international organization has its own policy for invitations to legacies during recruitment.

**MRABA (Membership Recruitment Acceptance Binding Agreement):** A potential new member chooses which chapter(s) to list on the MRABA and to accept membership from any organization listed. If a potential new member later declines a bid, the potential new member is required to wait for one calendar year, or until the next Primary Recruitment period, before participating in any recruitment activities. This is a term solely used by the Panhellenic community.

**National Panhellenic Conference:** The umbrella organization for 26 national and international social sororities.

**New Member:** A person who has accepted a bid from a sorority but is not yet an initiated member of that chapter. Each national organization requires its chapters to present an approved new member orientation program during which the new members learn more about the sorority to prepare them for membership.

**Panhellenic Association:** Governing body of the 7 National Panhellenic Conference (NPC) sororities at Butler University.

**Potential New Member (PNM):** An individual who is eligible to participate in recruitment.

**Primary Recruitment:** The designated period when potential new members and Panhellenic sororities get to know each other through structured events.

**Recommendation:** A form completed by an alumna member of a NPC sorority recommending a potential new member for membership. Recommendations can be helpful to both the PNM and the chapter, but are not required. Having a recommendation does not guarantee an invitation to that chapter.
Important Considerations

Eligibility

Because each Panhellenic sorority requires a minimum GPA of 2.75 or above as a full-time student to be considered for membership, participants must have successfully completed at least 12 hours of college credit toward a degree by the end of the Fall semester and must have attained a minimum cumulative GPA of 2.75, without rounding, to participate in recruitment. In addition, students may not be on conduct probation during the recruitment period.

Financial Obligations

Financial information is available, upon request, from each chapter during the Fall semester. As part of a national organization that provides lifetime benefits and services, each sorority will assess new member fees that will be paid early in the new member period. Fees will typically be in the range of $800-$1500. The first semester of membership is usually the most expensive, with most one-time components being paid at this time. In each subsequent semester, membership dues will also be assessed.

Housing

Living in the sorority chapter house is a unique experience. All the houses are independently owned by alumnae or national house corporation boards. These housing boards are responsible for house maintenance, establishing room and board fees and hiring staff. Only sophomores, juniors, and seniors are eligible to live in the houses. Housing is not guaranteed for a definite number of semesters and depends on each chapter's capacity.

Philanthropy

The women of Alpha Chi Omega are fiercely dedicated to our national philanthropy, Domestic Violence Awareness. We confidently take on this cause that affects our campus, our community, and beyond by thinking globally and acting locally.

The best thing about our philanthropy is the ability to make a direct impact on survivors. Our sisters serve at the Julian Center, a shelter and resource center for survivors. We raise money to support the Julian Center through our philanthropy events: S’Mores, Frisbee Fling, Healthy Relationships Week, Take Back the Night, and more!

Sisterhood

Alpha Chi Omega’s mission is to enrich the lives of its members through lifetime opportunities for friendship, leadership, learning, and service.

When it comes to enjoying time with our sisters, Alpha Chi’s have a lot to look forward to!

philanthropy

THE ALPHA PHI FOUNDATION
is our philanthropy. The foundation has four pillars:
1. Women's Cardiac Care
2. The “Forget-Me-Not” Fund
3. Scholarship
4. Leadership

Each year we put on two major events; one in the fall and one in the spring! This year we are introducing our next fall "phiver" event: disco phiver and our 5th Annual red dress gala.

Last year, we donated over $15,000 to the Alpha Phi Foundation, and completed over 1,400 hours of community service in the Indianapolis area.

scholarship

In Alpha Phi, we understand that college is first and foremost about furthering our education. As a chapter, our average GPA for the Spring 2018 semester was 3.567, putting us above the overall average of all undergraduate women at Butler.

involvement

As a chapter, we support our sisters’ endeavors across campus, within the city of Indianapolis, and beyond. We are involved in over 100 organizations on and off campus, have 100% involvement with over 65 women in leadership positions.

Whether we take on a semester abroad, run a marathon, or follow our passions, Deltas take heart in what is brave. This past year, one of our sisters was the only woman to work in technical inspection at the Indy 500, while others took lead roles on stage at The Nutcracker. With a house of sisters who have your back, we have the courage to lead on and off campus.

Tri Deltas are leaders on campus, and we take bold steps to make sure our presence is known. With leadership roles in our colleges, campus organizations like SGA, College Mentors for Kids, and club sports, you’re sure to find a Tri Delta wherever your passions take you. We are also bold by loving steadfastly, every sister, every day, based solely on their inner character.

Our sorority was built 131 years ago on the value of kindness - being kind alike to all. With Body Image 3D, a program designed to promote a healthy mind, body, and spirit, we spread acceptance and positivity. Through our philanthropy, this kindness comes to life as we advocate for the kids of St. Jude Children’s Hospital. It also manifests itself in subtle ways: a “hello” on the way to class, an offer to help study, or a late night snack run.

Why Were Anchored

Throughout the school year, members attend various sisterhood events, like apple picking, going on bike rides through Indy, & having movie nights in the TV room.

As DG’s we value involvement, scholarship & loyalty. Our house is filled with diversity & we are proud of our sister’s vast interests & passions that impact the entire Butler community.

DG’s seek to be each others’ number one fans & strongest support systems. The close bonds & memories made at 737 W. Hampton last far beyond our college years. Wherever we are, wherever we will go, we will always have a home at Delta Gamma.

---

We’re passionate about our national philanthropy, Service for Sight. Locally, we have the unique opportunity to work with the Indiana School for the Blind and Visually Impaired (ISVBI). Located a few miles from campus, we invite the students to our home 4 times a year & spend time with them over pizza parties, talent shows & other fun activities. Our campus-wide philanthropy event is called Anchor Splash. This week is packed with fundraising, service, & joy! Other than selling our famous ice cream at DG Delight, we host a men’s synchronized swimming competition at ISVBI. Last year, we raised over $25,000 for Service for Sight & the kids at ISVBI.

- Founded at Monmouth College, IL on October 13th, 1870
- Color: Light blue & dark blue
- Symbol: The golden key & the owl
- Flower: The fleur-de-lis
- In 2019, our chapter received the New Member Program Award at Kappa’s national convention

Philanthropy
Kappa women all around the world support their fellow sisters by raising money for the Kappa Kappa Gamma Foundation, which provides scholarships for deserving Kappas. The foundation helps sisters in financial need caused by misfortune, illness, as well as supporting the operation of two Kappa heritage resources. We hold two events throughout the year, Grilled Cheese with KKGs and Kappaccino, which together this year raised over $8,500 for the KKG Foundation.

Kappa was founded at Butler in 1878 and broke ground on the oldest standing Greek house on Butler’s campus in 1931. A 1960’s addition doubled the size of the house.

Kappa Kastile
Kappa was founded at Butler in 1878 and broke ground on the oldest standing Greek house on Butler’s campus in 1931. A 1960’s addition doubled the size of the house.

Academics
We encourage good study habits. Kappa requires daily quiet hours in the kitchen and in our recently added study room. During finals, we follow 24-hour quiet hours in the house. We hold our sisters to a high standard of maintaining at least a 2.00 GPA.

PI BETA PHI, IN GAMMA

Who we are
Our sisters are a diverse group of women that come from a variety of majors, organizational involvements, hometowns and cultural backgrounds. We embrace the uniqueness of each of our sisters and are excited to find more sisters to contribute to our sisterhood.

Pi Phi women strive to achieve excellence in all six of our values. Through a mixture of campus offered and Pi Phi-based experiences, our women are given the opportunity to practice servant leadership, grow in professional and leadership development, and to try and accomplish new things they hadn’t previously thought possible.

WISDOM
Integrity.
Lifelong Commitment.
Honor and Respect.
Personal and Intellectual Growth.
Philanthropic Service to Others.
Sincere Friendship.

Read > Lead > Achieve

What is it?
Read, Lead, Achieve® is Pi Beta Phi's philanthropic effort, which seeks to teach a lifelong love of reading which can unlock an individual's full potential and ability to learn.

What does this mean for our chapter?
Our sisters spend a minimum of 7 hours in service per semester to expand the reach of the value of learning. We also host several philanthropy events in order to raise money to support Pi Beta Phi's efforts. These events include Pi Phi's Birthday, Def Dogs, and Pi Beta Phi's, Lemonade for literacy, and Sweetheart Cinnamon Rolls.

National Day of Service
On March 2, Dr. Seuss’s birthday each year, Pi Phi women from all across the country and Canada come together to spread the message of Read, Lead, Achieve®. Our chapter not only takes part in this effort through the organization’s sponsored activities, but also through its own celebration with a local get local troop. as seen below.
Continuous Open Bidding (COB) beings after the conclusion of Primary recruitment and continues throughout the academic year. You are only eligible to participate in COB if you have not been matched to a chapter during primary recruitment, have successfully completed 12 credit hours, are in good standing with the university, and have a GPA of 2.75 or higher.

During COB, a woman may be offered an invitation from more than one sorority. Only one invitation may be accepted and the new member must sign an acceptance card within forty-eight hours of accepting the invitation to join.

COB events might range from a pizza party, to a barbecue, or more informal events like a small group outing for coffee. Sororities will contact you to attend their activities. Keep in mind that you may not hear from all chapters, some chapters may fill their total and will not be eligible for the COB process.
