

# BUTLER UNIVERSITY BANDS

## 43rd Annual Presentation

### Jeanice Gartin Memorial Scholarship

Application Deadline Monday, March 22, 2021

This award has been established by family, friends, and classmates of Jeanice Gartin. Jeanice, a 22-year-old Greenwood native, was killed in a traffic accident in January of 1979. While at Butler Jeanice was a member of the Marching and Concert Bands. Funds for this award were raised through benefit concerts, a fund-raising drive and, mostly, from \$10.00 contributions from many who knew and respected this young woman. This award is in her memory.

This scholarship is intended to be in addition to other scholarship assistance, except where a student's total aid would exceed tuition for the academic year. Thus, for example, Lilly Scholars and children of Butler University faculty and staff receiving full remitted tuition would be ineligible, and other situations may exist that could render a student financially ineligible for this award.
