

# COVID-19 Scenarios & Instructions

Visit [butler.edu/quarantine-faq](https://butler.edu/quarantine-faq) for detailed information.

## I Think I Have Been Exposed

Have you been in **close contact** with an individual who has tested positive for COVID-19 within 48 hours or their positive test result or onset of their symptoms?

### If yes:

- Report an exposure on your Daily Health Screening.
- Immediately begin to quarantine where you live.
- Wait for a call from a Contact Tracer.
- Immediately begin following the quarantine instructions: [butler.edu/quarantine-instructions](https://butler.edu/quarantine-instructions)

### If no:

You do not need to quarantine at this time.

## I Know Someone Who Tested Positive

Have you been in **close contact** with this person within 48 hours or their positive test result or onset of their symptoms?

### If yes:

- Report an exposure on your Daily Health Screening.
- Immediately begin to quarantine where you live.
- Wait for a call from a Contact Tracer.
- Immediately begin following the quarantine instructions: [butler.edu/quarantine-instructions](https://butler.edu/quarantine-instructions)

### If no:

You do not need to quarantine at this time.

## I Am Experiencing Symptoms

Report your symptoms on your Daily Health Screening.

Visit [butler.edu/quarantine-faq](https://butler.edu/quarantine-faq) and complete the Isolation Housing Form.

Call Health Services (317-940-9385) to make an appointment.

Immediately begin following the Isolation Instructions: [butler.edu/isolation-instructions](https://butler.edu/isolation-instructions).

Remain in isolation and wait for a call from a Contact Tracer.

Do not leave campus.

## I Tested Positive

If you tested positive at an off-campus facility, report your test result on your Daily Health Screening.

If you are not already in isolation, visit [butler.edu/quarantine-faq](https://butler.edu/quarantine-faq) and complete the Isolation Housing Form.

Immediately begin following the Isolation Instructions: [butler.edu/isolation-instructions](https://butler.edu/isolation-instructions)

Remain in isolation and wait for a call from a Contact Tracer.

## I Know Someone Experiencing Symptoms

Has this person received a positive COVID-19 test result?

### If no:

You do not need to quarantine at this time.

### If yes:

Follow the "I Think I Have Been Exposed" column.

**CLOSE CONTACT** is defined as any of the following:

- Being within 6 feet for a cumulative 15 minutes or longer within a 24-hour period.
- Sharing any type of living environment.
- Sharing food or beverage.
- Having any physical contact.
