

About Butler

Butler University is a path to endless possibilities. Our experienced faculty and staff, outstanding facilities, and innovative programs all point to one transformative goal: giving students the tools to grow and excel personally and professionally in an ever-changing world. Based in Indianapolis—one of the heartland's largest and most dynamic cities—Butler has been named the No. 1 Regional University and Most Innovative School in the Midwest, according to U.S. News and World Report. Our approach to education is focused on lifetime learning and designed for both career success and personal fulfillment. Students learn by doing, whether in the lab, the boardroom, the community, or across the globe. Perhaps most importantly at Butler, problems are never faced alone. Our commitment to student well-being provides mentoring, counseling, and support to enhance mind, body, and spirit—precisely what students need to realize their potential and discover their best selves.
